

## Annual Status of Education Report (ASER)

The Annual Status of Education Report (ASER) survey, conducted nationwide by the PRATHAM Foundation in collaboration with SCERT and DIETs, is a crucial initiative to assess the quality of education in rural areas. The Orientation Programme for Field Investigators was held at DIET Lakhimpur, Azad, on 4th and 5th October 2024. The programme was inaugurated by the Principal of DIET Lakhimpur, along with other dignitaries from Samagra Shiksha Lakhimpur, including Kripendra Ji, and representatives from the PRATHAM Foundation. During the session, the objectives of the survey, methodologies, and roles of field investigators were discussed to ensure the effective execution of the survey.

Following the orientation, the survey was conducted on 6th and 7th October 2024. As the Coordinator of DIET Lakhimpur for this survey, I would like to express my sincere gratitude to all the dignitaries, Master Trainers, and D.El.Ed. trainees who were associated with this important initiative. Their dedication and support were instrumental in the successful implementation of the ASER survey in the region.

**Orientation Programme Dates: 04/10/2024 & 05/10/2024**

**Survey Dates: 06/10/2024 & 07/10/2024**
